

Bright Outside School Hours Care

Bright Outside School Hours Care provides care after school and during vacation (school holidays) time. We also provide care on pupil free days during the school term (subject to demand).

Our service operates from the Bright P-12 College. The space offers a kitchen and a large carpeted room with lots of resources. The space is close to the outside play equipment, oval and a small walk to the toilets.

We provide a terrific solution for busy families and offer a fun, friendly relaxed environment for your child to learn and grow. We cater to the needs of all the children and offer a range of enjoyable activities.

We have capacity for 30 children with the staff/child ratio being 1:15.
