■ Bright Kindergarten to host a special tribute night

CHILDHOOD memories will be revisited when a facility that has had an influence on many residents for nearly half a century is celebrated next month.

The Bright Kindergarten's doors will close at the end of the year to relocate the early childhood service to the newly created Alpine View Children's Centre.

A tribute night will be held on Friday, November 16, and all former students and teachers from the learning centre that has been located at Elm Court since 1971 are invited to a special evening at the facility.

The celebration will be held at the building with a number of activities and a supper planned for the event.

beforehand guests will take on a private tour of the Alpine View Children's Centre, which will be officially opened in January.

The tour kicks off at 6.30pm and the Tribute Night will begin at 7.30pm.
