# Community cools off to aid MVCC fundraiser

THE Mountain View Children's Centre Parents, Friends and Staff group held their Family Fun Day fundraiser at the Myrtleford Swimming Pool last Sunday.

A number of young families turned up to support the group as they continue to raise funds for

a new playground at the Prince Street centre.

Kids and parents alike enjoyed the chance to cool off and participate in some fun and games in the water.

Parents, Friends and Staff group member Diana Mancuso said the fun day was another

good step in the fundraising process.

"The community has been really good so far and hopefully they continue to support us," she said.

"Every little bit counts and this is just another step towards our final goal."

The group's next major fundraiser will be a Dinner Dance at Club Savoy which will be staged in the coming months.

Local residents can continue to make donations with collection tins located at businesses around town until the end of the month.

**FUN IN THE SUN**

**BROTHERS** Geordie and Connor McEwan showed their support to the Mountain View Children's Centre at the Parents, Friends and Staff group's Family Fun Day fundraiser at the Myrtleford Swimming Pool on Sunday. The boys were among dozens of kids enjoying the event, which was raising funds for a new playground. See page 2 for more.
